The Power of Blue[®]

Congratulations to all 2021 Miller Scholarship Recipients

Jeanine Beaver, Ferris State University

"With the help of this scholarship, I will be able to focus more time and energy on my academics and personal growth, and less time worrying about the financial aspect of college."

Tyler Dewitt, Uintah Basin Technical College

"I am super excited to continue my welding courses with you guys backing me up and hope for bright things in my future."

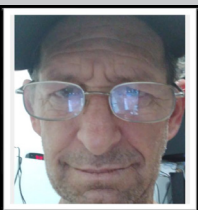

Jensen Brahier, University of Central Florida

"The Wesco & Miller Electric Mobile Section Scholarship has greatly lightened my financial burden allowing me to focus more on my schoolwork and allowing me to take more time in learning about more advanced concepts in mechanical engineering and applying this knowledge to my current career. I hope to one day continue the generosity you have inspired in me and help other student achieve their goals in the way you have helped me."

Kanyon Sherrick, Ferris State University

"Thank you again for your generosity. Looking back on my time at Ferris State University, I can honestly say that scholarships like this have made a significant positive impact on me, my education, and others."

Lon Glazier, Uintah Basin Technical College

"It is an honor to be able to get help from you with my schooling, with this training I will be able to make a difference in the community and be able to support my family and myself better."

Miller scholarships are given in partnership with the American Welding Society.
