Rep **TODAY!**

Avoid heat-related injuries with our exclusive CoolBand™. Employees will experience **up to 8°F cooler** underneath the hood, increasing productivity and performance.

Downward and upward air vents provide constant air movement over the entire face and head, removing stagnant air and decreasing lens fog, **keeping employees cool** on the job and **reducing fatigue**.

Easily integrated with most Miller helmets*, the CoolBand provides a **slim, seamless fit** for all day wear.

* MP-10™, Elite™ & Titanium™ Series.

244092

Includes: CoolBand™ unit, four filters, rechargeable battery, battery charger, AC power adapter and head shroud.

We're redefining welder protection with products that provide optimal fit, comfort, performance and style, resulting in safer, more productive work environments. THAT'S THE ARC ARMOR™ DIFFERENCE.
