

The Go Anywhere Maxstar® 150 Travel Pak™!

Designed for Portability and Convenience

Designed to be transported just about anywhere, the Travel Pak has outstanding storage space and durability while protecting the machine and inside contents. The soft-side travel case opens wide so you can find everything you need at a glance. Organizer panel inside the case keeps the tools accessible. Includes a telescoping handle to make this bag more comfortable to roll and travel wherever the job demands.

You have Choices

Travel Pak Only Option

If you are already using the Maxstar 150 STL/STH and want the portability and convenience to take everything you need—purchase the bag and customize with your own tools.
