# NEW KOHLER® PRO 300 HOUR OIL CHANGE KIT

Kohler PRO 10W-50 full synthetic oil and Kohler PRO extended life oil filters, when paired together, triple the oil change interval from 100 to 300 hours on Kohler gas engines.

- Reduces annual oil change costs by up to 50% and improves equipment up-time and productivity.
- Kohler PRO 10W-50 is engineered by Amsoil as a premium lubricant specifically for air-cooled engines.
- 10W-50 viscosity ensures all-season performance.
- Formulated for lower oil consumption than comparable conventional oil.
- Increased wear protection under extreme temperatures and operating conditions.
- Includes extra corrosion inhibitor for superior protection during seasonal storage.
- Kohler PRO Extended life oil filter features robust construction with premium media for extra capacity and superior filtration.
